E-Resources

Visit the library website to access the e-resources. This month we feature the Power Library, which is Pennsylvania's e-library. This is an online resource that has been thoughtfully curated for the most curious of minds. You can find information on math, languages, PA history, authors, science, and the list goes on. Want to know a couple of current favorites? Check out Book Flix (a personal read aloud for kids...or adults) and Auto Repair Source (a troubleshooting guide for your vehicle).
